

Club Mudgee Max Potential Mudgee-Kandos-Gulgong 2019 Are You Passionate About Empowering Local Young Adults?

Club Mudgee MaxPotential's 2019 program will be the 13th year for the Mudgee region. To continue this success, we are seeking volunteers from the community to contribute as Community Coaches. Comprehensive training is provided.

The community volunteers are community minded people who support young adults on this transformational leadership development program from February 2019.

This is your opportunity to empower local young adults whilst develop yourself professionally and personally. Be part of a well-respected program and learn new skills.

Applications are now open for community members to coach young adults 16-17 (in years 10 and 11) to lead themselves, lead others and leave a legacy in their local community.

You can apply now at Maxpotential.com.au

This is also a great way to network in and support your local community.

In the meantime, you can see some results of coaching through Max Potential at: <https://www.youtube.com/user/MaxPotentialAus/videos> where young adults have expressed their personal growth through Max Potential.

For more information:

An information session will be held at Club Mudgee on Tuesday 30th October at 5.15pm. RSVPs are required by 15th October to Damian Walsh

For more information or to chat about the program please contact:
