

Information on Bringing Food and Beverages into Club Mudgee

Club Mudgee is one of the largest food and beverage operations in Mudgee. We serve thousands of meals each year through our bistro and functions.

The Club offers a wide range of quality, value for money food selections which are prepared in accordance with the Club's Food Safety Program, relevant legislation and HACCP guidelines.

Accordingly, it is the policy of Club Mudgee that no food products and/or beverage products are permitted to be brought onto the club premises or site.

By arrangement with the Food Safety Compliance Officer, allowance may be given for the following items to be brought onto premises.

The cake must be in a manufacturer's container that has a label which meets the Australian Food Standards.

The cake is not to be served or altered, including cut, by any employee of the Club.
